

## ARTISTIC PRODUCTION

UNE BONNE  
IDEE.CH

### Reveal your true colours!!!

Gathered around for a , you will participate in a creative and unusual activity unlike any traditional art class. Through a palette of colours you will develop essential values such as **teamwork and communication** to create a high performance team and a unique work of art.

You will uncover and reveal skills **both individual and in groups** to create a communal work of art!

#### Objectives

- Create a high performance team
- Get involved and work together towards the successful completion of a joint project
- Estimate the task as a whole and identify the steps necessary to achieve the objectives
- Collaborate, share and communicate effectively

#### Values

- Collaboration
- Communication
- Team building
- Creativity
